Teacher Training Days

As a parent myself, I can appreciate that children having what appear to be random days off school can be inconvenient, especially if you are working. However, these days form an important part of staff development. It is a rare thing to have all staff available for training so we certainly make the most of it.

This week, Senior Leaders are meeting, along with other leaders within the CAT, to plan for academic year 2019/20 setting out school priorities and ensuring we continue our drive for school improvement. Teaching staff are starting work on their long term plans for next year, planning an exciting, skills-based curriculum. Our support staff are meeting with administration and site teams from across the Trust to receive training and make valuable contributions to some of the processes.

Other training days across the year address Health and Safety training, safeguarding updates and Performance Management of staff. They are often some of the busiest days of the year with everyone taking the opportunity to achieve tasks that are difficult when we are going about our day to day jobs.

In addition to teacher training days, staff across school have access to training opportunities as part of their on-going professional development. This can be through staff meetings, advisers in school, working alongside colleagues or external training courses.

As a staff, we continually strive to be better in our roles and to provide the best service we can to the children and our community.

Mrs Cross
 Executive Headteacher

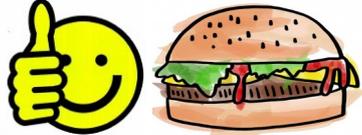

Spot Light on Excellence.....

Memorable experiences

This has been a busy and exciting week in school which has provided rich and memorable experiences for many of our children. On Tuesday Fox Class had a Viking experience day, they were immersed in the life of a Viking including their clothes, customs and equipment. On the same day, Hedgehog Class visited Kingsbury Water Park and enjoyed catching water mini-beasts and classifying them. On Thursday staff from the Hippodrome came to school to deliver drama workshops with Years 3, 4 and 5 around the play Annie. They were given an insight into life in the theatre. Our teachers think carefully about planning trips to enhance the learning that is taking place in the classroom. Our trips are fun but they all have a clear purpose linked to learning.

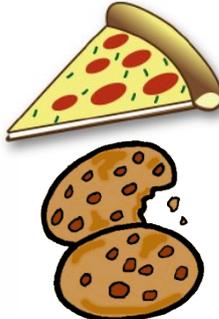

Mrs Smith
 Associate Headteacher

Pupil's Favourite Lunch Menu
 27th June 2019

WHAT'S YOUR FAVOURITE?

- Organic Burger in a Bun
- Cheese & Tomato Pizza
- Jacket Potato with normal choice of toppings
- Diced Potatoes
- Sweetcorn Baked Beans
- Carrot & Orange Cookies

Reminder ! - The Community Fete will not take place this year but we will still be holding the raffle and the competitions

Info on: Ladybird Class

Our outdoor environment has had a lot of changes over the last few weeks. The children have embraced these changes and have had a fantastic time accessing all of the new areas.

"I love the café, because I can make a cup of tea"

"I like the wooden planks, I can walk on them without falling"

"I look at the shells and conkers. The shells are all different"

"I like to dress up, I like to be a mermaid"

Academic Year 2018-2019

Full details and times to be confirmed nearer the event.

Transition -

The transition into secondary school is fast approaching for year 6 pupils and The Warwickshire School Health & Wellbeing Service would like to wish all students well in their move to secondary school.

Below is a list of 12 steps which may help students prepare for their transition:-

- Look at the school website and find out useful information on your new school**
- Practice packing up all the things you will need to take to school, maybe pack the night before.**
- Practice buying your own food and drink in a café. Find out how the canteen & pay machines at the school work.**
- Plan the route you will take to your new school and do a few trial runs. Do you need to sort out a bus pass?**
- Make sure you make time to eat breakfast - it gives you fuel for the day.**
- Make the most of the Transition Day - don't be afraid to ask questions.**
- Do you use a planner/diary? It may be worth you getting one and practice using it.**
- If you have a map of your new school, have a look and get used to using it.**
- Find out about the uniform and order in plenty of time. Be aware of school policies on things like jewellery, piercings and mobile phones.**
- Talk to friends and siblings. Who else do you know who is moving to the same school?**
- Get into a good bedtime routine. Young people still need lots of sleep as your brain is constantly developing.**
- Start taking responsibility for yourself by practicing getting your school bag ready, doing your homework, and getting yourself up in the morning.**

All secondary schools in Warwickshire have confidential advisories which are run by school nurses where pupils have the opportunity to meet face to face to discuss any health related concerns. If you would like further advice or support The School Health and Wellbeing Service can be contacted on 03300 245 204, Option 3 or via ChatHealth (Confidential School Nurse Texting Service) on 07507 331 525

Attendance W/E 10/06/2019

	Last Week	Year
Ladybirds	95.90%	93.57%
