Happiness Survey

Every year, we complete a Happiness Survey in school to measure how happy the children are and identify any potential areas in school.

Overall the results from the children were positive. Some of the key highlights are as follows:

91% of pupils report feeling safe all of the time

96% of children know that adults will solve problems or help if asked

96% of children reported that the people in school care about them

92% of children use 'Stop It Please' if they feel they need to.

It was reassuring that only 5 children didn't know which adults they could speak to if they have a problem and this will be addressed through our work on networks as part of 'Protective Behaviours'.

It is clear that the children recognise there are still some children who do not show respect all of the time but when asked they said things are getting better.

It is very important that as a school we listen to the children, to give them a voice so that necessary changes can be made.

Our aim is for ALL children to be happy coming to school and to know they are safe once they are here.

I look forward to repeating the survey next year to measure the impact of the work we are undertaking in school. This year's results are very positive and suggest the school is moving in a positive direction.

Mrs Cross
Executive Headteacher

Spot Light on Excellence...

A Positive Parents' Evening

Thank you to all the parents who attended our parents' evening last week. Many parents completed forms following their appointments. We were pleased to see so many positive comments. These are just a few of the many received.

"My child has settled well and we are happy with her progress" - "My child has settled really well and we are delighted with her progress so far" - "My child's confidence has come on so well in Year 3. We are over the moon with how happy she is" - "My child has nothing but good things to say about his class" - "Thank you for doing a great job!" - "My child has settled in so well, her improvement has been amazing in her subjects" - "My child has settled well into her new class and is growing in confidence"

Thank you parents for your continued support of our school!

Mrs Smith
Associate Headteacher

All welcome at the Christmas Fayre

Saturday 9th December 1pm to 3pm

Christmas Jumper Day – Mon 18th December

Christmas Production – Weds 20th December
