

**Reminder: Follow our Facebook and Twitter pages for all up to date information.**

Hello everybody!

The final half term of the school year starts on Monday with some children in school and some children remaining at home. All parents in Nursery, Reception, Year 1 and Year 6 should have received an email with all the specific details for their child's return including their social group. Please ensure you adhere to all timings and arrangements as school will need to be run with military precision.

The staff have worked hard this week to ensure school is set up to ensure our plans can be achieved. Once there are children in each of the rooms I am sure they will feel warm and friendly, even if we can't be physically close!

A copy of the behaviour policy for this time is available to parents on the Reopening page of the Parents section of the website. We will have to be more rigorous around physical contact as it increases risk but any **deliberate breach** of social distancing will be treated as extremely serious—parents will be contacted.

I cannot stress to you enough the importance of maintaining all the rules we have established for the health and safety of everyone.

**You MUST not send your child to school if they are unwell.**

**Stick to lockdown guidance when outside of school to minimise the risk to staff and children in school**

For those children at home, we are sorry that we cannot have you back but the guidance does not allow it. Also there is not a single classroom space free in school! There will still be work provided on Eschools to keep people busy.

Thank you to everybody for your continued support and positivity. We appreciate that this situation is far from ideal but your continued positive feedback has been important to us as a Leadership Team so thank you.

Mrs Cross :o)

## Contacting school

**From Monday, all contact with staff has to be through the office via email or telephone contact only. We will not be receiving parents at the hatch as part of our measures to minimise visitors into school.**

During school hours you can telephone school on 01827 872237 or leave a message on the answerphone which will be picked up as soon as possible.

Email school any time on

admin2023@welearn365.com this is checked throughout the day.

## Dinners

From Monday, there will be two dinner options available—the red dinner choice, a green dinner choice and a jacket potato. Children can also bring a packed lunch.

Children in Reception and Y1 are still entitled to a Universal Free School Meal,

If you are in receipt of FSM vouchers, Miss Smith will be contacting you about your options.

You CANNOT have vouchers AND a meal in school.

An example of a socially distanced classroom in our schools.

## Watch my bubble

Please refer to previous newsletters to see how we explain social distancing.
