Snow Days

Thank you all for your support and understanding during our recent snow closures. As I am sure you can appreciate, there are many factors that need to be taken into consideration before taking the decision to close a school under any circumstance.

At the heart of every decision made is the health and safety of the children. This means making sure that enough staff can be on site to maintain the appropriate staff to pupil ratios throughout the day.

We also need to consider the safety of the site and the approach to school. Every effort is made to clear the site so that there is access into the building - often through restricted routes - and that there are adequate facilities; water, heating, etc.

As a school, we aim to notify parents as quickly as possible so that arrangements can be made. We use a number of methods to communicate with parents including text message, website and Twitter. This is one of the reasons why it is essential that your contact information held in the office is the correct one.

Hopefully now we will make it to the end of term without any further disruption. We have a jam packed programme of events to take us up to the end of term.

I hope to see you all before next Friday.

Mrs Cross
Executive Head

Don't forget to log into eSchools to see what is happening on your children's class pages. The eSchools 'App' is available for you to download from the Apple or Google Play stores. The App will allow you to receive text notifications directly from the school to your mobile device. Login is also available via the School website

Spot Light on Excellence...

The Christmas Fair

It was great to see so many people supporting our school at the Christmas Fair last Saturday. There was a buzz of excitement with lots to do including visiting Santa, eating delicious turkey rolls and winning prizes on the Tombola.

The House Team Enterprise tables were also a popular place for our visitors. The children were fantastic salespeople on the day.

I am sure that if you came to the Christmas Fair you would have returned home with something to eat or to use as a present or decoration from our stalls.

The children who volunteered on the house team stands were able to promote their goods, encourage sales and collect the correct money.

As the end of the Fair approached we saw prices slashed and offers made to ensure each team could make the most possible profit.

It was a very close competition but congratulations need to go to Birch Coppice who made the most profit on the day, just beating Kingsbury by £1.10!

A huge thank must go out to FOWES and all the staff, pupils and parents who helped to make our Christmas Fair a huge success.

Mrs Smith
Associate Headteacher
