Our Values

At Wood End, we aim to instil in the children the core values of Modern Britain. It is important that we nurture these through all aspects of school life from the classroom, to the dining room and the playground. Our one word school rule – RESPECT – lies at the heart of all the values. We look for pupils to live and breathe these values throughout their time at Wood End. It is not about a display or a poster but about the lived experiences of pupils in our care.

'British values' were identified by the government as part of its Prevent Strategy, and we reinforce these regularly and in the following ways:

Democracy: Democracy is rife in our schools! Pupils have their voices heard through our School Council and Pupil questionnaires. We elect House Captains, our School Council, as well as vote on 'Charity for the Year'.

The Rule of Law: The importance of Law are consistently reinforced, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws, that govern and protect us. Visits from the Police; Fire Service; Lifeguards etc are regular. Pupil are rewarded for great behaviour with stars, certificates and 'postcards home'

Individual Liberty: Children are actively encouraged to make choices, knowing that they are in a safe and supportive environment. We provide the boundaries for children to make choices safely. Pupils are encouraged to know, understand and exercise their rights and personal freedoms through our Online Safety and PSHE lessons. Pupils are given the freedom to make choices.

Mutual Respect: Our school ethos and behaviour policy revolves around our core values through our 'one word school rule'. Assemblies relate to what this means. Posters around the school promote respect for others and this is reiterated through our classroom and learning rules.

Tolerance of those of Different Faiths and Beliefs: This is achieved through enhancing pupils understanding of their place in a culturally diverse society. We offer opportunities to experience diversity through visits to places of worship and year group links to other schools in areas which are different to our own. Assemblies about prejudices and prejudice-based bullying are followed.

When people visit our school, they talk about the 'feel of the place' and this is British Values in action – mutual respect and a supportive, inclusive environment where individuals are able to flourish.

Additional sporting activities

Our aim this year is to create opportunities for children to engage in a range of physical activities in addition to their weekly PE lessons. After school clubs have been organised to give all the children from year 1 to year 6 high quality provision delivered by a qualified sports coach. After half term we will also offer a dance club, look out for letters coming soon. Again this club will be provided by qualified and experienced dance teachers. Thanks also go to Mr Whitehead who is starting his cross country club before half term.

We know that we have some very talented children who participate in sports outside of school. These sporting achievements are valued in our school. Children are encouraged to share their success in celebration assembly and there is now a dedicated display to acknowledge our sporting stars.

Who's Who

Hi, my name is Mrs Price and I am the teacher in year six class, Badgers. I was really glad to be asked to return to Wood End after working here a few years ago. It has been delightful to see how the children have progressed in their learning and get to know them again. I am thoroughly enjoying working with Badger class as they are rising to the challenge of our year six work.

Outside of school, I am kept very busy by my children's sporting activities and often find myself cheering them on at football or athletics. Whenever I get the chance, I travel to the North West to visit my family there and also enjoy watching Liverpool play as I have a season ticket and attend most of their home games.
