Monday	Tuesday	Wednesday	Thursday	Friday
Fun Fitness Club Dragonfly Class Trip	Safer Internet Day Football Club	Grandparents Spring Lunch	Yr 4/5 Swimming Dance Club Study Centre Yrs 2-6	Assembly

### Online Safety

Tuesday is **Safer Internet Day**. We will be completing work in school around staying safe online reinforcing our SMART rules. This is a simple way to remind children the different ways they need to stay safe in the online environment.

**S** - Safe - keep yourself safe by not sharing your personal information online

**M** - Meet - do not arrange to meet people you have only met online

**A** - Accept - do not accept emails, texts, messages or files from unknown sources as they may contain viruses

**R** - Rely - do not believe everything you read and see online

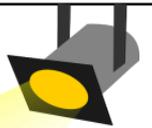

**T** - Tell - if you experience your early warning signs when online tell someone straight away

There is a danger that children do not apply the same safety rules online as they do in the real world. If you ask them whether they would give their photograph to a stranger on the street they are really clear that they wouldn't. However, children are less perturbed by the idea of posting a photograph online. Our job isn't to stop children from using online platforms but to teach them how to do so safely and more importantly what to do if they don't feel safe.

If your child experiences something unpleasant online, please report the content through the CEOP website. A link is available on our website on the online safety page. There are also resources you can access to support your children to be safe online.

**Mrs Cross**  
**Executive Headteacher**

### Spot Light on Excellence...

#### Storytelling week

As part of storytelling week Wood End Primary welcomed Sue Perks to share her storytelling talent with the children. Sue has worked with different groups and organisations across the country, including the BBC. On Thursday she captivated each class telling a range of tales. The children enjoyed their time with her and were eager to share phrases and actions they recalled after their time with her. It is brilliant that our children engage so well with these exciting opportunities. Thank you Sue for your inspirational storytelling.

**Mrs J Smith**  
**Associate Headteacher**

We still have some spaces available for our **Study Centre** on Thursdays with Mrs Smith - 3-4pm

Please let the office know if you would like your child to attend

### British Values

One of the British Values that is very important in our diverse community is **Tolerance of others**. At school we learn about the beliefs of others and promote respect for these. All of the world's major religions are covered through our RE lessons. Pupils learn about the values of others and through common themes, learn to recognise the similarities and differences between them.

**Academic Year 2018-2019**

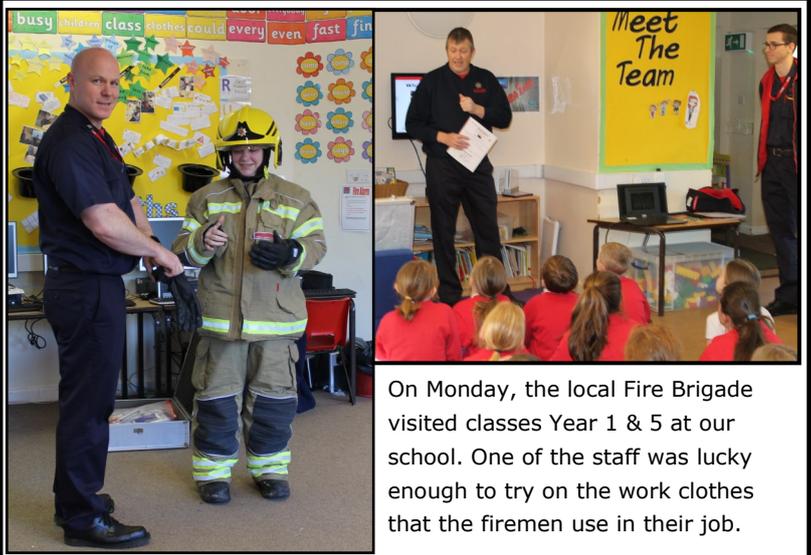

**Spring Term 2019**
