Keeping Safe Online

At Wood End, we teach our pupils the importance of staying safe online. In this technological world, children are spending more and more time on virtual environments and need to learn how to keep themselves safe. For many children they see the digital world as something totally separate to the real world—when in fact the same dangers apply and rules need to be followed.

We teach the children to stay safe using 5 very simple and easy to remember rules which are also available on our website in the online safety section. They are known as our SMART rules.

Safe— Keep safe by not sharing personal information about yourself online. This includes name, address, photo

Meeet— Do not agree to meet anyone you know online.

Acccept— Do not accept friend requests from strangers and do not open pop ups as they may contain viruses.

Rely— Not everything you see or read online is true

Tell— Tell an adult if something you see or experience online makes you uncomfortable.

Please go over these rules with your children whenever they step into the online world .

Memorable experiences

All of my vivid memories of Primary school are based around trips and visits. At Wood End Primary we understand that enhancing our curriculum with these memorable experiences will influence our children for years to come. When planning a visit teachers think carefully about the children's current learning and the benefits of having an expert to visit our school or to go out on a trip. Our aim is to give every child a trip or visitor at least once each term.

This term has already seen a Florence Nightingale workshop for Dragonfly Class, an African drumming workshop for Badger class and a trip to the Museum of Childhood for Hedgehogs. Butterfly class and Fox class are looking forward to their visits to different museums next half term.

Nasal Flu Immunisations

Children in Reception to Year 3 have been given a letter regarding Nasal Flu immunisations. This is a national scheme to reduce the impact of flu on our children. The health team will be in school on Friday 10th November. Please return consent forms as soon as possible.

Charity Update

We will be selecting a single charity for the school to sponsor again this year. If you have any suggestions or thoughts please let us know.

Consent forms and data collection sheets have been sent home. Please complete these and return them to school as soon as possible.

Don't forget to log into eSchools to see what is happening on your children's class pages. The eSchools 'app' is available for you to download from the Apple or Google Play stores. The app will allow you to receive text notifications directly from the school to your mobile device.

"It was an amazing day everyone was trying their best as well" Ruby
"The Drum Workshop was awesome because the music was great and it links with our theme" Rebecca "I love to be loud" Summer
"It was a fantastic day, I was really happy" Lucas
"As soon as we entered the hall I instantly knew it was going to be a good day, I was excited and ready for the performance" Paige
"It was fun and exciting, it was a good experience" Elliot
"I think it was fun and really loud and exciting. Everyone did very well" Charlie
"I think it was a super experience and we are lucky to have it. It links our learning to Africa too" Kai
"It was fun and very exciting, I really liked it" Alfie W

Stop It Please!

Children need to be taught to deal with things they don't like happening to them properly. In school we tell them that hitting back is not acceptable. We simply ask:

'If someone does or says something you don't like, say 'Stop It Please!'. If this doesn't stop the problem, go to an adult who will ALWAYS deal with the problem immediately.

School Bank

We are re-launching the school bank. If you are interested in saving a bit of money each week please see Gail Clarke in Squirrel classroom, accessed from the playground on Fridays between 8.30 and 8.45.
