End of the Day collection arrangements

Ensuring that we do our very best to keep children safe

We are immensely proud of our excellent record for keeping our children safe. Our children feel very safe in our schools and are well looked after.

We complete a great deal of this work in this area. Apart from maintaining a good level of physical security, we also carry our regular reviews. At each weekly staff meeting 'safeguarding' is a standing item and we regular remind our colleagues of their responsibility. We hold regular assemblies, class discussions, remind children of procedures and do our very best to make sure they know what to do if they ever get in trouble.

We do not however guarantee absolute security. Schools are not military establishments or prisons, we don't have security guards and we need to make sure that we are accessible to literally hundreds of individuals every single day. We also need to make sure that our environment is inspiring, exciting and loved by our children. In schools our aim is to reduce risk to an absolute minimum by making sure we restrict entrances, ensure adults in school are 'DBS checked', children are always supervised, reminding parents not to drop children off early or collect late and all manner of other measures.

Perhaps our greatest weapon is however in teaching children how to cope with 'dangers'. If they can avoid problems or be taught how to deal with them, they will avoid getting themselves in trouble and will remain safe.

We remind children that if the usual person who meets them is not there at the end of the day, **they MUST return to school** to speak to the school office or a teacher immediately. We would appreciate parents not making 'casual arrangements' by asking to children to go with other people if the 'usual person' is not present at the end of the day. If there are changes to your usual collection arrangements, including going on the bus, then please **ensure you notify the class teacher or the office** to avoid confusion and errors being made.

Thank you for your continued support in this matter,

Mrs Cross
Executive Headteacher

Spot Light on Excellence...

Thinking of others

At Wood End Primary School we teach the children the value of community and the different ways we can support people, one of which is supporting charities. This week our newly elected school council have been discussing the charity our school will support this year. They are taking this responsibility very seriously and will be announcing the chosen charity soon.

Today saw us host a coffee morning for Macmillan cancer support. A huge thank you goes out to all the parents and family members who donated cakes and for everyone who attended the morning. All the children in school were involved and the donations are gratefully received. If you forgot to make a donation on the day and would like to contribute to this important cause please send money to the school office before Friday 5th October and it will be added to the grand total raised.

In addition to supporting one charity as a school, we will also be arranging a race for life event within the school grounds later this year. This will raise funds for Cancer Research. As always it is the support from parents and pupils that is our key to success, together we can make a difference in the world around us.

Mrs Smith
Associate Headteacher

Warwickshire County Council would like to hear your views on the School Health & Wellbeing Service. We would encourage you to visit the website and complete the survey before the closing date of 12th October 2018.

Please note Diary Dates may be subject to change.

Full details and times to be confirmed nearer the event.

Nasal Flu Immunisation

As a Public Health Service the immunisation team are looking at ways of increasing the pupil uptake of the nasal flu vaccination, we did have a little flu scare last year and because of this we had an influx of parents ringing up after the flu sessions had finished at schools needing their child that had missed the vaccine at school to be immunised. We would like to try to avoid a similar situation this year so we are trying to promote the school sessions as much as possible.

Please see the link below for parents who may find useful and interesting information on our service and the Flu vaccination.
