Parental Engagement

It has been proven through research that the relationship between school and parents plays a vital role in the education of children. Where parents are interested in what is happening at school and continues to support the learning at home, pupils achieve positive outcomes.

At our school we are very lucky to have a supportive group of parents who recognise the importance of education and want to work alongside us to secure the best possible outcomes for their children. Parents attend parents evenings and events, complete reading and practice homework tasks. They are also quick to inform us if there is anything happening that may affect their child in school. This allows us to work closely with families to make sure any issues are resolved for the children as quickly as possible.

We are looking to build in further opportunities for parents to come into school to work alongside their children and demonstrate an interest in their education. If you have any ideas on what you would like school to offer with regards to inviting parents in, then please let us know via the office or a note on your child's 'Me To You'.

We aim to keep parents up to date on your child's learning through their eSchools class page. You login to this in the same way as you would for parents evening. The class page is updated regularly with what the children are learning in school and may include photographs or samples of work. If you are having difficulty logging in, then please contact the office who will be happy to help.

I hope you all have a lovely half term break. I cannot quite believe that we are already half way through the year but I am looking forward to continuing to strive for excellence over the coming months.

Mrs Cross
Executive Headteacher

Spot Light on Excellence...

Memorable experiences

At Wood End Primary school we aim to provide our children with rich opportunities and memorable experiences. This week children from our school were invited to be flag bearers and ball boys at St. George's Park, the training ground for the England Football Team.

Eight children were chosen for their love of the game to represent our school. They had the important job of holding the flag for the national anthems at the UEFA under 16 match between Denmark and England.

It was an action packed match with our children keeping a constant eye on the ball ready to bounce into action and retrieve footballs leaving the field of play. It was also a chance to watch the possible future stars of the English football team.

Today the staff members for St. George's Park have contacted the school to say how impressed they were with the behaviour and dedication of our children. They have truly made us proud.

Mrs Smith
Associate Headteacher

Photographs of the event are on the back page and can be purchased from the Office at a cost of £3.00

Free Online Guides

Free online guides to help parents feel more confident

Warwickshire County Council has purchased three nationally acclaimed online Guides (courses) - designed to help parents feel more confident. Every single parent, grand-parent, or carer living in Warwickshire can now access these guides FREE OF CHARGE

The Guides have been designed by NHS experts and are part of the evidence-based 'Solihull Approach' programme, which supports mums, dads and carers to develop positive and responsive relationships with their infants, children, and young people. In turn, this helps to strengthen emotional resilience and wellbeing, so infants and children are able to bounce back from life's various challenges.
