Healthy Schools Week

Next week we will be promoting healthy lifestyles and attitudes. As part of this we will be holding our annual sports day event. We are looking forward to inviting parents into school to share their children's efforts and successes. The children will be competing for their houses and points from the day will be added to our ongoing points that we collect in our half termly PE competitions. As the weather is set to remain fine, it is essential that children have their water bottles in school so they can stay hydrated. Drinking water is an aspect of a healthy lifestyle.

We have also arranged for Top Score to have their inflatables in school one day next week to promote fun fitness activities. The children will get to experience these activities and be active with their peers.

On Wednesday, KS2 representatives from our school will be attending the athletics competition at Tamworth Athletics Stadium. This will give the children the opportunity to compete on a running track against schools from North Warwickshire. I am sure they will give their all and make our school proud.

As part of this week, please support us by providing children with water to drink, healthy snacks and healthy lunchboxes. We will be completing work around healthy eating in classes - learning about balanced diets and the importance of your 5 a day.

We will update the news section of our website and our Twitter feed with events from throughout the week.

Executive Headteacher

Spot Light on Excellence...

Transition Day

On Thursday we had an extremely successful transition day at Wood End Primary School. For the whole day children and staff pretended it was already September and they went to their new classes.

All the children around school were happy and settled well into learning and the staff were all impressed with their new cohort.

We also welcomed in new children to our nursery and reception classes. The new reception children sat so well in assembly that I didn't realise that they were there. This transition day proves that our children are confident and ready to make the move to their new classes and year groups and I can not wait for September to come along!

Mrs J Smith
Associate Headteacher

Want to know what's happening in school?

Go to www.wood-end-primaryschool.co.uk there is so much information for you from; school policies, newsletters, copies of letters sent home, curriculum pages, events calendar, class pages, lunch menu, sporting events and much more.

Don't forget to log into eSchools to see what is happening on your children's class pages. The eSchools 'App' is available for you to download from the Apple or Google Play stores. The App will allow you to receive text notifications directly from the school to your mobile device. Login is also available via the School website.

Academic Year 2017-2018

Term Ends for Easter	Friday 12th April

Please note Diary Dates may be subject to change.

Full details and times to be confirmed nearer the event.

Please note - Early Finish Friday 20th July 2018

It is with deepest regret that I am informing you of the death of Wood End's caretaker in June following a period of illness. Mark Davis had only been with Wood End for a short time but was already a highly respected and valued member of our team. Mark was committed to ensuring the children and staff at Wood End had a safe and inviting environment every day. As staff, we will miss his sharp wit and kind nature. Nothing was ever too much trouble for Mark and he will be sorely missed. As a tribute to Mark, the staff from Wood End are completing the Race for Life this weekend. All monies raised will go to Cancer Research UK as will the proceeds from our 'Shorts and Shades' day. If you wish to make a donation to this fund, please send a sealed envelope into the office marked - **Race for Life**. Our thoughts and best wishes are with Mark's family at this sad time.

Dordon and Wood End Primary Schools

Non Uniform on Friday 13th July

We are holding a Non Uniform Day on Friday 13th July, all we ask is that parents pay £1 per child on the ParentPay website, for children to come to school in their **Shorts & Shades**.

Children must still wear sensible shoes for the day,

no flip flops please.

STAR WARS TRAIN LIKE A JEDI
with **change4life**

Dear Headteacher

We all know that pupils need to be active to be healthy. But just 22% of boys and 20% of girls aged 5-15 currently meet the national recommended level of activity of 60 minutes each day and it can be hard for teachers and parents to know how to inspire kids to exercise. So Change4Life has joined forces with Star Wars™ to help get more children active with the new Train Like A Jedi programme.

Getting your school involved is easy.

1. Search [Change4Life/schools](#) to find a range of flexible whole-school and after-school, lesson plans and videos to get your pupils moving.
2. Send pupils home with these Train Like A Jedi summer packs to help keep them active over the summer holidays.

We'll be adding more Star Wars inspired resources to the School Zone at the end of this term, including a school council toolkit and after school starters - search [Change4Life/schools](#) and sign up to be the first to hear about them.

We'd love to hear how your school is encouraging pupils to stay active. Email participate@change4life.org.uk with photos or details.

We hope you enjoy a fun and active summer. May the Force be with you!

The Change4Life team

"This programme encourages perseverance and determination, motivating children who may be disinterested in sporting activities by making links to Star Wars. It offers the opportunity to promote fitness beyond the classroom by encouraging participation outside of lessons and during the school holidays."
