### Senior Leadership Team

Across our two schools, Dordon and Wood End, we have a team of senior staff who work tirelessly to secure the best outcomes for the children in our care. Each member of the team has responsibility for different aspects of the schools but work collaboratively so everyone has a clear understanding of the position of each school and the direction to move forward. The Senior Leadership Team (SLT) consists of:

**Mrs Cross - Executive Headteacher.** Mrs Cross has strategic responsibility for both schools. She is the person who is in charge overall and is held to account over the performance of the school. Her time is split between Dordon and Wood End, depending on priorities within each school at any given time.

**Miss McGroarty - Associate Head Dordon.** Miss McGroarty has the day to day responsibility for the running of Dordon as she is in school every day. She has responsibility for the Newly Qualified Teacher programme, the work of trainee teachers and the standards in school.

**Mrs Smith - Associate Head Wood End.** Mrs Smith has the day to day responsibility for running Wood End, She also manages PE across both schools and Humanities at Wood End. She also manages standards in the school.

**Miss Lewis - SENDCO both schools.** Miss Lewis is responsible for SEND provision in school, liaising with external agencies and line managing teaching assistants. She is also the lead for Early Help.

**Mrs Garrett - English Lead.** Mrs Garrett is based at Wood End and teaches in Reception. She is responsible for standards in English (reading, writing and VGPS) across both schools.

**Mrs Hopkins - Maths Lead.** Mrs Hopkins is based at Dordon and teaches in Year 2. She is responsible for standards in maths across both schools.

The SLT are a crucial part of school improvement and we have a very effective team who are all committed to securing the best possible outcomes for our children.

### Spot Light on Excellence...

#### Excited Learners

This week I have been particularly impressed with the way our children have returned to school with a thirst for learning. There is a buzz around the whole school about the new themes with children eager to share their 'hook' experiences.

Dragonfly class had a golden ticket to board the Polar Express, Hedgehog class were invited to spend time in the dark cupboard and Fox class climbed a mountain! It is lovely to have children stopping me to share what they have been learning and a testament to the time teachers spend carefully planning these memorable experiences.

Happy New Year to everyone, I know that this is going to be an amazing year for our children at Wood End Primary School.

## Young Voices

"On Monday, I had the pleasure of taking 50 children from both our schools to the Genting Arena for Young Voices. We formed part of a choir of 6295 children. This is one of the highlights of my year and reminds me why I love my job. The children work hard and are rewarded with an experience they never forget. Our children were impeccably behaved and made me incredibly proud. Our Twitter feed (@DordonPrimary and @WoodEndPrim) contain video footage of the event." Mrs Cross  
Here is what the children thought...

"I really liked Young Voices because when all the lights turned off everyone put their torches on and it looked magical but it was a little bit noisy!" Nevaeh H

"I really enjoyed Young Voices. They had lots of guests. It was really fun singing with all the other schools." Alex D

"I really liked it when Alfie Sheard came on stage and we got to sing along with him." Ruby H

"I really enjoyed singing 'Castle on the Hill'" Alfie M

"Young Voices was the greatest thing I have ever done. It was my first year and I loved it!" Caitlin

"I loved Young Voices there was so much singing and everyone was amazing. My favourite guest was Alfie Sheard." Stephanie

"I liked the part when the song Africa came on and we did the big wave!" Miya

"My favourite part of Young Voices was singing all of my favourite songs." Daniella
