## Parent's Evenings

### Welcoming Visitors to our School

We are looking once again to welcoming a large numbers of parents into school for our termly Parents Evenings. We continue to experience record numbers of visitors into school and our Parent's Evening will hopefully be attended by almost every single parent. Its value is immense. Not only do our children value it, but it is one of our opportunities to share information on children's success and next steps.

For this Parent's Evening, we will once again be using the electronic booking system using our 'E-Schools Virtual Learning Environment'. This important development should allow many more parents to be able to better identify a time and date they prefer for their Parents Evening appointment. Booking for parents evening opens at 5:30pm on Wednesday 14th November. If you need any help booking a slot, please speak to our offices who will be happy to help.

**Parents Evening dates: Wednesday 28th November 5:30 - 8:00pm and Thursday 29th November 3:30pm - 6:00pm**

This year we are also changing the way we review Individual Education Plans for pupils with Special Educational Needs. Parents of these pupils will already have received letters about the changes. As an alternative, and to say valuable time, Miss Lewis and the SEN team will be available in the school hall to discuss progress on one of the parents evening. Please take time to speak to them for an update on your child's progress and changes to targets.

Parents evening is another valuable tool in the partnership between home and school. It is a chance to share and celebrate the successes your child has achieved so far this year and also discuss the next steps. In addition, we will be sending out our interim reports on **Friday 23rd November**. This will provide you with information ahead of parents evening so you can ask any questions during your appointment.

There will be a further opportunity to spend time in your child's classroom after school in the last week of term (**Tuesday at Dordon and Wednesday at Wood End**) as we are running Show and Share evening every term, rather than just once a year. Please put the date in your diary.

We look forward to welcoming you into school to share all of the brilliant things that have happened so far this term.

## Spot Light on Excellence...

### Musical Magic

Towards the end of last year we started to use a new scheme to support the teaching of music across school. One reason for this was to give children access to more modern music and to foster a love for singing. This week I had the pleasure of hearing the songs the children have learned from this half term. It was clear to see the children are enjoying their learning in music.

In addition to this our year 3 children have been given tuition in the ukulele from a qualified music teacher and year 5 and 6 have begun to work with a music teacher from Kingsbury High school. We are also looking forward to taking our school choir to Young Voices early next year. The corridors have been filled with energetic and tuneful singing every Thursday lunchtime as the children learn the songs for the show.

Keep singing Wood End!
