

REMINDER: School Breaks up on Friday 17th of July– We will be running our Wednesday timetable for that day

Update

As we approach the final week of term, it all feels very strange. Normally the last two weeks are packed full of events and feel very hectic. This year is a very different story. We are still very busy but in a very different way.

This week has seen more online meetings, this time with new teachers. It has been lovely to see the start of the strong relationships we value so dearly at our school. We are excited to have everyone back in September. School feels strange with so few children in it!

You will receive an email shortly that contains the key information about the reopening of school. It is essential for the safety of our community that you adhere to the timings and systems we have established. It will be reissued again just before we open in September just in case it gets lost over the summer. I have spent this week writing a very comprehensive risk assessment for the reopening. A version of this will also be made available to parents on the website towards the end of the summer holiday once all of the fine details have been finalised. There will be a message on Facebook informing you it is there. Next week, we hope that the sun shines so that our end of year picnics and leavers celebrations can go ahead. All of the information has been sent out via email. It is imperative that you follow all of the information you have been given in order to keep yourselves and everyone else safe.

Unfortunately if it is raining, the events will have to be cancelled. There is no way we can move the event indoors due to the risk assessment that is currently in place.

Welcoming Mrs Deakin

In September we will welcome a new member of staff to Wood End Primary, Mrs Deakin. This week, our new year six children in Otter Class were given the opportunity to meet Mrs Deakin via a zoom video call. They got to know a bit more about her including she enjoys sports and loves reading. Otter class have also been sent a transition booklet where Mrs Deakin has shared her favourite food and book. Mrs Deakin is an experienced teacher who will enhance our teaching team bringing fresh ideas to Wood End. We all wish her the very best with her move to the area and look forward to welcoming her as part of our team in September.
